

Hello!

We hope everyone is having a great summer so far. As a reminder, in the midst of all the summer fun the students must remember how important it is to read as often as they can. Let's keep those brains sharp! Students should read their required book(s) and at least two additional books – preferably one fiction and one non-fiction. Hopefully, our scholars will read a few more than their required books. Have a wonderful summer – and read, read, read!

Rising third graders may choose to read all or part of one of the series below or How to Be Cool in Third Grade.

Assignment:

Students must create a book report for at least one book; however, they are welcome to do more! Assignments will be shared and collected the first week of school.
